THE POOL MANAGER AND/OR LIFEGUARD WILL BE RESPONSIBLE, AND HAVE CONCLUSIVE AUTHORITY, FOR INTERPRETING AND ENFORCING THE FOLLOWING REGULATIONS.

Definitions

1. Resident: "One who currently is living in Dreams Landing and who, in most instances, lives here at least two months of the year, usually for at least weeks at a time."

NOTE: When landlords rent their units, the status of resident passes to the tenant. Owners of units that are rented may not use the common elements, including the pool, except as guests (see Bylaws).

2. House Guests: "One who is visiting a Dreams Landing residence and who, in the majority of instances, would be staying overnight."

3. Guest: An invited visitor to a particular Dreams Landing residence who does not qualify as a House Guest.

Authorized Use

4. Use of the pool and recreation room is restricted to residents of Dreams Landing and their guests. So that the lifeguard may prevent unauthorized use, only those residents whose names appear on the official pool roster may use these facilities. The official roster is maintained by the pool manager. A resident who wishes his/her name added to the official roster should contact the pool manager.

Guest Policy

5. Only residents have the privilege of signing guests into the pool.

6. Guests may use the pool only when accompanied by their resident hosts.

7. Resident hosts must introduce their guests to the lifeguard.

8. Any questions pertaining to the identity of those using the pool should be directed solely to the lifeguard to avoid embarrassment to the guest and the resident host.

9. Any resident seeking exception to the Guest Policy for house guests should contact the pool manager. All approved guests for whom exception has been granted must be introduced to the lifeguard. House guests need not be accompanied by resident hosts when visiting the pool; however, house guests may not sign in other guests.
